COMPLAINT FOR INJUNCTIVE RELIEF

Plaintiff, ATTORNEY GENERAL of the United States of America ("ATTORNEY GENERAL") alleges that:

1. Defendant, WILLIAM A. (BILLY) CARTER, III, has engaged, is engaged, and is about to engage in acts and practices which constitute and will constitute violations of Section 2(a) of the Foreign Agents Registration Act of 1938, ("Registration Act"), as amended, 22 U.S.C. 612(a), and Rules 200 and 201, thereunder, 28 C.F.R. 5.200 and 5.201, respectively.
2. Pursuant to the authority granted to him by Section 10 of the Registration Act, 22 U.S.C. 620, the ATTORNEY GENERAL promulgated Rules 200 and 201, 28 C.F.R. 5.200 and 5.201, respectively. Said Rules are now in effect and were in effect at all times relevant to the activities set forth in this complaint.

JURISDICTION AND VENUE

3. The ATTORNEY GENERAL brings this action pursuant to 28 U.S.C. 1345 and Section 8(f) of the Registration Act, 22 U.S.C. 618(f), to enjoin such acts and practices.

4. This Court has jurisdiction over this action pursuant to 28 U.S.C. 1345 and Section 8(f) of the Registration Act, 22 U.S.C. 618(f).

5. Certain of the acts, practices, courses of business and transactions alleged herein to constitute violations of the Registration Act occurred within the District of Columbia.

6. Section 8(f) of the Registration Act, 22 U.S.C. 618(f), provides that enforcement actions shall be made a preferred cause and expedited in every way.

THE DEFENDANT

7. Defendant WILLIAM A. (BILLY) CARTER, III, is an individual domiciled in the State of Georgia.

CAUSE OF ACTION

Section 2(a) of the Registration Act 22 U.S.C. 612(a) and Rules 200 and 201 thereunder, 28 C.F.R. 5.200 and 5.201 respectively.

8. Paragraphs 1 through 7 are hereby realleged and incorporated herein by reference.

9. At some time or times unknown to the ATTORNEY GENERAL, the defendant singly and in concert with others, reached an understanding to act within the United States as an agent of the Socialist People's Libyan Arab Jamahiriya ("Libya") and Mu'ammar al Qadhafi, its Chief of State, and individually and through his agents, employees, officers, servants and assigns did undertake specific activities calculated to promote Libyan foreign policy objectives by attempting to improve the image of Libya within the United States.

10. Pursuant to the understanding referred to in paragraph 9, or pursuant to an understanding unknown to the ATTORNEY GENERAL, the defendant agreed to act, and in 1978 began to act directly and indirectly, through agents, employees, officers, servants and assigns by engaging in the nominal hosting of receptions and dinners in honor of a Libyan delegation, the undertaking of speaking engagements and the escorting of a tour of Libyan delegates to certain U.S. cities, all of which was for the purpose of portraying Libya to the American people as an emerging third world nation, potentially friendly to the U.S., and interested in expanding its commercial contacts and intercourse with the United States through a "people to people" program.

11. Pursuant to the understanding referred to in paragraph 9, or pursuant to an understanding unknown to the ATTORNEY GENERAL, the defendant agreed to participate in two highly publicized visits to Libya in September 1978 and August 1979, the latter trip lasting about one month and occurring during the celebration of the 10th Anniversary of the Libyan Revolution. The presence of the brother of the President of the United States at events commemorating the Libyan Revolution was important to Libya in order to obtain maximum coverage of the events by U.S. media entities and to create the appearance of approval by the United States of the Libyan Revolution.

12. Pursuant to the understanding referred to in paragraph 9, or pursuant to an understanding unknown to the ATTORNEY GENERAL, and consistent with the objectives of Libyan foreign policy, the defendant undertook a propaganda campaign, including public statements in support of Libyan foreign policy objectives.

13. Pursuant to the understanding referred to in paragraph 9, or pursuant to an understanding unknown to the ATTORNEY GENERAL, the defendant agreed to undertake the establishment of an organization to be known as the Libyan-Arab-Georgia Friendship Society. One of the purposes of this society was to promote Libyan foreign policy objectives by attempting to improve the image of Libya within the United States through cultural exchanges and visits.

14. As compensation for making his best efforts pursuant to the agreements in paragraphs 9 through 13 or to an agreement unknown to the ATTORNEY GENERAL, the defendant received substantial compensation including, but not limited to:

- a. certain gifts of personal property;
- b. two all expense paid trips to Libya;
- c. twenty thousand dollars paid to the defendant on or about March 1, 1980;
- d. two hundred thousand dollars paid to the defendant on or about April 1, 1980.

15. As additional compensation to be received in the future, for making his best efforts pursuant to the agreements in paragraphs 9 through 13, or to an agreement unknown to the ATTORNEY GENERAL, the defendant was held out by Libyan officials to the U.S. business community as a commercial intermediary through whom U.S. business entities could deal with Libya.

16. Defendant is an agent of a foreign principal as defined in Section 1(c) of the Registration Act, 22 U.S.C. 611(c).

17. As an agent of a foreign principal, defendant is required to register with the ATTORNEY GENERAL by Section

2(a), of the Registration Act, 22 U.S.C. 612(a), and Rules 200 and 201 thereunder, 28 C.F.R. 5.200 and 5.201, respectively.

18. Defendant has refused upon demand to register with the ATTORNEY GENERAL as an agent of a foreign principal as required by Section 2(a) of the Registration Act, 22 U.S.C. 612(a).

19. By reason of the activities described in paragraphs 8 through 17, the defendant has violated Section 2(a) of the Registration Act, 22 U.S.C. 612(a), and Rules 200 and 201 thereunder, 28 C.F.R. 5.200 and 5.201, respectively.

20. The defendant will, unless restrained and enjoined continued to engage in the acts and practices as set forth in the cause of action of this complaint.

Wherefore Plaintiff, ATTORNEY GENERAL, respectfully prays and requests:

1. A mandatory injunction requiring Defendant to register forthwith pursuant to Section 2(a) of the Registration Act, 22 U.S.C. 612(a), and to otherwise comply in full with the provisions of the Registration Act and the rules and regulations promulgated thereunder.

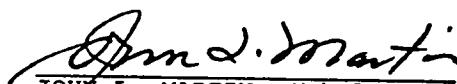

2. A permanent injunction restraining and enjoining Defendant from violating Section 2(a) of the Registration Act, 22 U.S.C. 612(a), and Rule 200 and 201 thereunder, 28 C.F.R. 5.200 and 5.201, respectively, by engaging in activity in the furtherance of the interests of the foreign principal unless and until he files with the ATTORNEY GENERAL in duplicate a registration statement under oath on a form prescribed by the ATTORNEY GENERAL.

AND FOR SUCH FURTHER RELIEF as this Court may deem appropriate under the circumstances.

Respectfully submitted,

Re: BILLY CARTER -

attendance were Deputy Assistant Attorneys General John C. Keeney and Philip White, Fred Hess, the Criminal Division's FOIA specialist, and Joel Lisker, Registration Unit, Criminal Division.

At the outset of the meeting, Mr. Parker outlined his negotiations with the Subcommittee and advised that he had informed them that the Attorney General would not be available for an appearance before the Subcommittee until after the Democratic Convention as he would be out of the country. He stated that the Committee planned to hold some hearings next week but that at this stage he did not believe anyone from the DOJ or the FBI would be called upon to appear at that early date but that he could not be certain of this until he had the opportunity to meet with the Committee staff on the morning of 7/31/80.

DAD Nolan advised those present of the contents of the request that the FBI had received for information and that we are in the process of preparing our response and that while we would be able to provide a copy of the Billy Carter file and some related documents by the close of business 8/1/80 as requested by the Committee, our response to some of the other requests which called for wider reviews of our files to locate information of interest might take somewhat longer but that the process was ongoing. We stated it would be our practice to provide to Mr. Parker's office those documents which we propose furnishing to the Committee.

A strong objection was made by FBI representatives to the release to any third party by the DOJ of FBI information without prior concurrence from the FBI to release that information. Mr. Heymann stated that in the conversation which he had with

Judge Renfrew on the evening of 7/28/80, that he had suggested that Judge Renfrew obtain Director Webster's concurrence on the release of the material but that he did not know whether such a release had in fact been obtained but that he took the responsibility for the release of the information. DAD Nolan advised Mr. Heymann that absent any approval by Director Webster it was not acceptable to the FBI for the DOJ to release FBI information in this case or in any other case. Mr. Heymann stated that he believed that in a closed case the DOJ could release such information. He was informed that this was not the case and both Messrs. Keeney and White concurred that it was not the case. Mr. Heymann apparently believes that the exigencies of this case justified his action.

Mr. Heymann further stated that he did not wish to leave it up to the Senate to orchestrate the release of information with regard to the Billy Carter case but rather believed that based on the press statement by the President that he wished all information to be brought forward in this case as quickly as possible and that the DOJ should also release publicly the Billy Carter file at the same time we were providing it to the Senate Subcommittee since there are a number of pending FOIA requests in the DOJ with regard to the Billy Carter case. It was Mr. Heymann's opinion that the DOJ could justify this public release of a case file as being pursuant to the FOIA requests. Mr. Parker argued for establishing with the Committee orderly procedures for handling the information provided to them prior to making public release. He also questioned the wisdom of establishing a precedent in this case of the opening of DOJ files simply because there was a strong public interest and a pending Congressional inquiry. FBI representatives supported Mr. Parker's position. It was agreed, however, that the FBI would process the Carter file for FOIA release at the same time we were processing it pursuant to the Senate request and that the FOIA processing should be coordinated between the FBI's FOIA experts and Fred Hess of the DOJ so that uniform standards would be applied and a single DOJ release would be made which would include FBI information. Mr. Heymann advised that he would recommend to Judge Renfrew that he discuss with the Director the advantages of making public as much information on this case as would be possible and at the earliest date possible. He also agreed that no additional FBI information would be released without FBI review. Mr. Parker advised that he was meeting with representatives of the Subcommittee on the morning of 7/31/80 and that no DOJ response should be sent to the Committee's letters until after he could advise us of the results of the meeting.

FEDERAL GOVERNMENT

Honorable Birch Bayh  
Committee on the Judiciary  
United States Senate  
Washington, D. C.

Dear Senator Bayh:

Reference is made to your and Senator Thurmond's letter dated July 29, 1980, requesting FBI documents pertaining to the activities of the Libyan government in the United States and activities relating to William A. "Billy" Carter, all for use by the special subcommittee of the Committee on the Judiciary. I understand that discussions have been held between representatives of the Department of Justice, Office of Legislative Affairs, members of our Congressional Affairs staff, and Michael Davidson and Robert Kelley of the subcommittee staff. This letter incorporates the understandings reached at that meeting.

In response to request number 1, an agreement was reached in which your staff indicated that the subcommittee's interest in information concerning Libyan activities in this country was to be furnished through the Senate Select Committee on Intelligence. As you are aware, Executive Assistant Director Francis M. Mullen, Jr., and Deputy Assistant Director James E. Nolan, Jr., provided information to that Committee on August 1, 1980, concerning these activities. This information is available to your subcommittee under the procedures set forth in your letter. If you need additional information, we will be happy to provide appropriate information available to us. In answer to your specific request, this Bureau has not provided, during 1980, any intelligence papers to the Executive Branch on attempts by the Libyan Government to obtain [REDACTED] or promote their interests in this country.

During the course of their appearance, Executive Assistant Director Mullen and Deputy Assistant Director [REDACTED] delivered to the Committee, FBI documents concerning the Foreign Agents Registration Act investigation of Billy Carter. These were segregated into classified and unclassified material. Subsequent to your letter, we have reviewed the classification of the documents and have determined that the current classifications are appropriate. The unclassified
